

# SECONDARY EDUDESIGN FELLOWSHIP: 2020-21

2018-19 EduDesign participants

## SOCIAL & EMOTIONAL WELL-BEING IN A TIME OF TRANSFORMATION

**The EduDesign Fellowship centers the knowledge, expertise, and curiosity of educators to design year-round learning experiences together.**

**This year we are excited to expand our cohort and delve into how to approach SEL from an antiracist and pro-liberation stance in our classrooms and distance learning spaces. We see relationships as foundational to this work--relationships with ourselves, our students, their families, and our colleagues, as well as the relationship of schools in society.**

**We will kick off our 2020-21 theme during our summer institute. This project is led by teachers, for teachers, and is supported by UW College of Education INSPIRE Center and Secondary Teacher Education Program.**

**SUMMER INSTITUTE: AUGUST 11 & 13, 2020**

**SATURDAY WORKSHOPS: OCT 24, JAN 30, MAR 27**

**NO REGISTRATION FEES & CLOCK HOURS PROVIDED AT NO COST**
